LEAVING CERTIFICATE RESULTS ANALYSIS 2006

The College is pleased to publish its annual analysis of Leaving Certificate results below. As in the past, these figures are outstanding and faithfully reflect the unstinting efforts of our dedicated professional staff and their equally committed and hard-working pupils. I would like to express my gratitude and congratulations to all concerned for the way in which the academic tradition of excellence at St. Columba's has been maintained – and strengthened - in 2006.
