

## Kukri Sports - A Guide to Buying Online

1. To access the St. Columba's online sportswear shop, please go to [www.stcolumbas.kukrisports.com](http://www.stcolumbas.kukrisports.com)
2. Two options will appear on the left hand side of the screen, one for Men's sportswear and one for Ladies sportswear. Click on the one appropriate to you.
3. Pictures of all the available products for that gender will appear. Just click on the picture of the product that you require, and this will bring up the sizes that it can be ordered in. For smaller sizes, where relevant, please use the scroll bar. Enter the quantity required into the middle column, then click on Click to Add Names to enter the pupil's name (you can enter up to 17 characteristics). Once that is done, click the floppy disc icon to save your details and then click the shopping bag at the bottom of the screen and return to the main menu and repeat for each item.
4. Starter Packs: If you wish to order one of the four Starter Packs, please order all the individual items and the required quantity and proceed as for (3) above. Once all the items/quantities in your chosen Starter Pack have been entered into the shopping bag and you have completed points 5 to 7 below, a form will appear on the screen for you to enter your details. On that form there is a box called 'Promotional Code'. Please enter the relevant code for the Starter Pack you have chosen (SCC1, SCC2, SCC3 or SCC4) and the discount will be applied at that stage.
5. When you have finished ordering all your products, please click the checkout button where you will be able to view your order in entirety.
6. Once you are happy with your order, please proceed to checkout.
7. Here you will be asked to fill in some details so that you will receive a confirmation e-mail of your order.
8. All orders will then be shipped to St. Columba's College.
