

St. Columba's College – Book List 2018-2019 – Form III

Form III will continue using an iPad for their studies. If you are joining the school this year we request that you purchase your device from the [Wriggle Online Store](#) and all the e-books and apps required will be pre-installed for you. Your device will also be set up with a management system which will allow us to maintain the device as well as ensuring that potentially harmful or distracting apps cannot be installed. The Wriggle store can be accessed at www.wriggle.ie using the code 05343745 from Friday 22nd June until 20th July for new pupils, and until 10th August for returning pupils. The store for new pupils must close earlier to give Wriggle time to prepare the accounts and devices for September.

For more information about iPads please visit the [“Digital Technology”](#) section in the Useful Information area on our website. We recommend not bringing an old iPad from home as it is not possible to manage the iPad in the same way as one bought through the Wriggle store. If your child does bring their own iPad it means that it is likely that your child could end up off task in classes and potentially may find it difficult to keep their focus. Devices should be insured for accidental damage and loss before they are brought to school.

Please note that if your child brings their own iPad with them then you will still need to visit the Wriggle store to purchase their books and a management license for their device.

Those who already have an iPad from Form II should still visit the Wriggle store to purchase the new eBooks and management licence. The books will then be automatically added to your child's book app accounts.

Below is the full list of requirements for all subjects. Pupils will study either French or Spanish; Art or Music; and either Latin, Classical Studies or Technical Graphics. For Music, both the “Core Book” textbook and the “Set Works Set B” workbook are required regardless of what set pupils are in.

Pupils who are exempt from Irish on grounds of a diagnosed learning difficulty will normally study remedial English and Maths. Pupils whose primary education up to 11 years of age was received in Northern Ireland or outside the Republic of Ireland will also be exempt from Irish.

Some items listed in the Additional Items/Notes column below will need to be purchased separately.

The majority of books on our book list with Wriggle are physical books with a free eBook. This means that pupils have a physical book but also the benefits of an editable eBook which is appropriate for the new JC curriculum.

Alternative methods of ordering books can be found below.

Alternative Methods of Ordering Books:

The nearest bookshop to St. Columba's College is Opening Minds, Super Valu Shopping Centre, Ballinteer, Dublin 16. All our form book lists are included in the Opening Minds online school bookshop.
